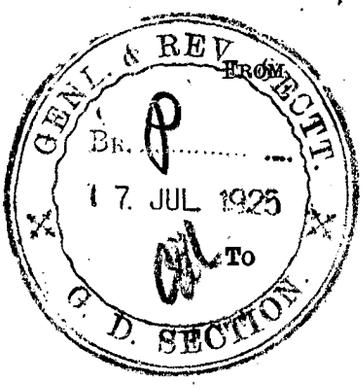
Telegraphic Address. "JUSTICE"

Bangalore, dated 15th July 1925.

C. No. 88/25-26/En one



A. SREENIVASARAGAVACHARI, Esq., B.,A., B.L.,
Registrar, Chief Court of Mysore.

B. NAGAPPA, ESQ., BAR-AT-LAW,
Secretary to Government,
Local & Legislative Departments,
B a n g a l o r e.

Sir,

I am directed to state that one Mr. S. Sreenivasa Iyengar, a matriculate of the Madras University who has passed the Mysore -- Local Service and Pleadership Revenue (Higher), Criminal (Higher), Registration and Civil I and II examinations, has put in an application to the Chief Court praying that he may be enrolled as a Second Grade Pleader. He passed the Revenue (Higher) in 1908; Civil II in 1914; Registration in 1919 and Criminal (Higher) in 1920. He sat for Civil I examination held in May 1923, but was not then declared to have passed in it. Subsequently in May 1925, the -- Examination Board declared him to have passed Civil I Examination held in May 1923. (Vide Government Notification No.P.6427-L.E. 15-24-2 dated the 20th May 1925, printed at page 207, Part II, Section 2 of the Mysore Gazette dated the 28th May 1925).

Rule III of the Rules regarding the enrolment of Second Grade Pleaders (Chief Court Notification R.Dis.47 of 1921-22 dated the 7th June 1922 as amended by Chief Court Notification No.R.Dis. 58 of 1922-23 dated the 13th March 1923) requires that applications for such enrolment should have been made before 30th June 1923 and has, Cons ~~sub~~sequently put an end to the admission of persons as Second grade pleaders subsequent to 1st July 1923.

The

The petitioner contends that he could not have applied for admission in time, as he was not declared to have been qualified before the last date permitting such admission, that subsequent to the publication of the results of the examination of May 1923, he made representations to the Examination Board as a result of which the Board declared him to have passed the Examination, two years later and that therefore the delay in making his enrolment application long after the date fixed therefor may be condoned and he be enrolled.

The Chief Court consideres that on merits the applicant's case deserves favourable consideration as he has been declared to have passed the Civil Part I examination of May 1923 and should not be made to suffer for the delay of the Examination Board in declaring him to have passed it. If the Board had in the first instance, declared him to have passed the Examination when the results were announced in the usual course in 1923 itself, the applicant would then have had an opportunity of applying to be enrolled within the due date.

There is however a technical difficulty. The Chief Court cannot direct the applicant to be enrolled, as a matter of course, in the face of the provision in the Notification which distinctly says "provided they apply for admission on or before the 30th June 1923". No discretion is allowed for receiving or granting applications for enrolment as Second Grade Pleaders subsequent to that date. It is therefore necessary to issue another notification concerning candidates who have been declared subsequently to have passed the examination held in May 1923 or prior to that date.

I am therefore to request that Government may be pleased to accord their sanction to the issue of the amending notification herein enclosed.

I have the honour to be,

NOTIFICATION.

No.R.Dis.....of 1925 - 26 dated the .....1925.

The Chief Court directs that in the preamble to Rule III of the Chief Court Notification R. Dis. No.47 of 21-22 - dated the 7th June 1922, as amended by Notification R. Dis. - No.58 of 1922-23 dated the 13th March 1923, after the words "provided they apply for admission on or before 30th June -- 1923" add the following :--

"And provided also that if an applicant had sat for any or all of the qualifying examinations held in May 1923 or prior thereto, and has been declared by Government subsequent to - 30th June 1923 to have passed the said examination or examinations, he applies for enrolment within three months from the date of such declaration".
